De you remember "Fighting Blood," the Indian picture which was run on twi-different occasions at the old Crystal: It was pronounced the best Indian picture, barring mone, ever made. We have been trying for a long time to book "The Battle of Elderbush Guich," a two reel feature, which is said to be second only to "Fighting Blood," and we have at last secured it for exhibition tomorrow only. It was produced by the same company and the same director as "Fighting Blood." This director also made "Judith of Bethulia," which same people thought was better than "Quo Vadis," and "The Battle of the Sexes." Do ferget "The Battle of Elderbush Gulch" Saturday at the
